

ULTRA Annual Conference & SGC Immunology Day – June 1st 2017

[Cell and Molecular Biology Lecture Hall \(CMB\) – click for map on Google](#)
[Berzelius väg 21 – Karolinska Institutet Solna Campus](#)

Registration - <http://www.thesgc.org/ULTRA-DDconf2017>

8:30	Arrival, coffee and get-together
8:45	Welcome and introduction about ULTRA-DD <i>Michael Sundstrom (Karolinska)</i>
9:00	The importance of jointly funded translational medicine IMI projects
9:15	Target selection and prioritization <i>Julian Knight et al. (Oxford)</i>
9:45	Converting prioritized targets into protein samples and antibody research tools <i>Nicola Burgess-Brown (Oxford) and Susanne Gräslund (Karolinska) et al.</i>
10:15	Predictive cell-based assays as a foundation for research tool identification and generation <i>Gillian Farnie, Kilian Huber, Oleg Fedorov (Oxford) et al.</i>
10:45	Coffee Break
11:00	Shedding light on protein structure and function <i>Katharina Duerr, Liz Carpenter, Frank von Delft (Oxford) and Matthias Gstaiger (ETH Zurich) et al.</i>
11:30	Generating high quality chemical probes for target validation <i>Paul Brennan (Oxford) et al.</i>
12:00	Better translational assays based on patient material <i>Louise Berg (Karolinska), Fiona McCann (Oxford) et al.</i>
12:00	Maximising impact: communication of results and creating research networks <i>Brian Marsden, Wen Hwa Lee (Oxford) et al.</i>
13:00	Lunch and Networking
	<i>Showcase on Collaborative Initiatives with ULTRA-DD</i>
14:00	Boehringer-Ingelheim's approach to Open Science <i>Adrian Carter (Corporate VP and Global Head Discovery Research Coordination)</i>
14:20	Research and clinical aspects of IBD <i>Ola Winqvist (Professor of cellular immunotherapy, KI)</i>
14:40	Drug Development and Discovery Platform at Science for Life Laboratory at Karolinska Institutet <i>Per Arvidsson (Exec. Director Drug Discovery & Development, Science for Life)</i>
15:00	The IMI European Lead Factory (ELF) <i>Jon de Vlioger (Business developer Lygature/ ELF)</i>
15:20	Coffee Break
15:30	The merits of Open Science – <i>Panel Discussion</i>
16:00	Wrap-up and end of meeting
